

STATUTORY NOTICE

Wiltshire Council Statutory Notice of Prescribed Alteration proposals to establish a resource base (a Special Educational Needs (SEN) provision) at Lyneham Primary School

Notice is hereby given in accordance with Section 19(1) of the Education and Inspections Act 2006 (as amended by the Education Act 2011) and the School Organisation (Prescribed Alterations to Maintained Schools) (England) Regulations 2013 that Wiltshire Council intends to make a prescribed alteration to Lyneham Primary School, Lyneham, Wiltshire SN15 4QJ.

Wiltshire Council are proposing changes to Lyneham Primary School, to establish a resource base and register it with the Department for Education (DfE).

The SEN designation of the resource base would be Communication and Interaction to support the needs of children who have an Education, Health and Care Plan (EHCP) and would be inclusive of children with autism. The resource base would receive children with SEN from the local area, not limited to the school's mainstream catchment.

The resource base would open in January 2023, initially for a up to 10 places, with the expectation that the resource base would increase the number of places available from September 2023. The Published Admissions Number of the school will remain the same and not be impacted by this proposal.

Wiltshire Council are making this proposal to meet the needs of the growing number of children with SEND, particularly in the North Wiltshire area.

The statutory representation period will begin on 31 October 2022 and will continue until 27 November 2022.
