

Calling All Young People

Would you like to be part of a Pioneer group where your ambitions for the future are heard?

If you live in Wiltshire, are between the ages of 12 to 25, with experience of disability we would love to hear from you!

As a pioneer, you will be making connections with other passionate young people, talking about topics you find important.

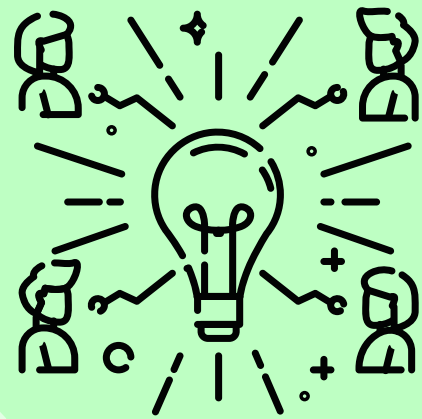

You will then have the chance to co-produce social media campaigns, raising awareness on issues meaningful to you in your community.

If you are a young person and would like to have your say, please contact us to get involved!

Email us at:
